HOLIDAYS

- The University observes thirteen (13) administrative holidays during the calendar year. Holidays are listed in the Personnel Policies for Staff Members manual or bargaining contract for represented employees: <https://blink.ucsd.edu/HR/benefits/time-off/holidays.html>
- Part-time non-per diem employees, who work at least 50% time, will receive holiday pay proportionately based on the number of hours on pay status for that particular month.

OVERTIME COMPENSATION FOR NON-EXEMPT (HOURLY) STAFF

- If you are not represented by a union, overtime hours will be paid as overtime pay.
- If you are represented by a union, how overtime hours are calculated and paid are contingent on the collective bargaining agreement. (See offer letter for link to your collective bargaining agreement.) Dependent on the union, an employee will be paid either by overtime pay or compensatory time off (CTO).
- All non-exempt employees can consult with their supervisor to determine if it is possible to change how overtime is paid for themselves personally.

PARKING & TRANSPORTATION

- Parking and commute options vary for each employee.
- Parking Information: [Parking.ucsd.edu](https://parking.ucsd.edu)

PAY PERIODS/PAYROLL CALENDAR

- Payroll Calendar: [Blink > Blink Topics > Finance > Payroll > Calendars](#)
- Refer to the payroll calendar for pay period end dates, pay dates and Holidays.

PERFORMANCE EVALUATIONS

- Performance management is an important part of both performance and employee career development. At UCSD Health & Health Sciences, what we do is equally important to how we do it. Expectations for how we get our work done are explained in the Individual Contributor and Leader [Core Competencies](#). To learn more about the performance process, visit [MyPerformance New Hires & New Leaders](#).
- During your probationary period (if applicable), you will receive a probationary performance evaluation, allowing you and your supervisor to discuss your onboarding, initial performance and expectations moving forward. The review year is May 1 – April 30. Employees receive one formal performance evaluation annually prior to May 31st each year.

PROBATIONARY PERIOD

- All Professional and Support Staff (PSS)-level career employees must serve a probationary period, usually six months of continuous service at 50% time or more, during which time the employee's work performance and general suitability for University employment will be assessed. An employee's probationary period may be extended for up to three months at the University's discretion. (Exception: An employee, who has worked in a Per Diem/Limited appointment immediately preceding the career appointment, may have some or all time in the Per Diem/Limited appointment credited toward completion of the probationary period.)

RETIREMENT

- If your position is not represented by a union or if you are represented by CX, K6, DX, IX, and RA, you must make a retirement choice within 90 days of your start date. Once you have reviewed the [UC Retirement Choice Program](#), you can make your retirement choice [here](#).
- If you are represented in a union not mentioned above, you will be automatically enrolled for Pension. No action is required.
- Please see your offer letter to determine if you are union represented.

SALARY REVIEW DATES

- Non-Represented employees **may** be eligible for one merit increase annually, until your salary reaches the top of the salary grade for your job classification. The amount of increase awarded will be based on your annual performance evaluation.
- For represented employees, see appropriate collective bargaining agreement for specific eligibility requirements and scheduled increases.

SICK LEAVE-Career Employees

- Sick leave accrues based on hours on pay status. Generally a full-time employee (40 hours/week) accrues approximately 8 hours of sick leave per month. There is no maximum amount of sick leave you may accrue.
- Sick leave may be used when you are ill, for medical appointments, for the illness of a family member, and contingent on the language of the collective bargaining agreement - the death of a family member.

VACATION-Career Employees

- Vacation leave accrues based on hours on pay status. Generally, a new full-time employee (40hours/week) accrues approximately 10 hours of vacation leave per month (equivalent to approximately 15 working days per year). Your vacation leave accrual may vary based on type of appointment, years of qualifying service, and hours on pay status.
- All vacation time must be scheduled in advance with the approval of your supervisor.
- Vacation time may not be used before it is accrued or during the same month that it is accrued.
- If you are a union member, some union contracts require completion of probationary period before vacation usage. Please refer to your collective bargaining agreement.
